Summary: An international webinar on student orientation entitled "Career Opportunities in Physiology and Allied Sciences & Soft Skill development" was organised by the department of Physiology in association with IQAC Surendranath College. The webinar was held on 27th June 2021 from 6:00 PM onwards on Zoom platform.

Our esteemed invited speakers were Dr Sanjit Dey Professor Department of Physiology University of Calcutta, Dr Prasunpriya Nayak Additional Professor Department of Physiology AIIMS, Basni, Rajasthan and Dr Swarnali Dasgupta certified Soft Skill Trainer Singapore.

About 342 registered participants joined the virtual platform of which nearly 67% were UG students. There were a number of attendees on the YouTube channel also.

The webinar was organised with an aim to 1) equip our students with the knowledge of various career options in Physiology and allied sciences after graduation 2) know how to build soft skills that are crucial for career growth.

Dr Sanjit Dey first gave a thought provoking lecture on the prospects of students studying Physiology both in academic and technical spheres.

Our next speaker Dr Prasunpriya Nayak stressed on the prospects of students of Physiology in fields other than Physiology. With his lucid presentation he threw light on the various avenues diverging from Physiology and other basic subjects of biological sciences which could be explored by our students.

Our last speaker Dr Swarnali Dasgupta gave a very interesting talk on soft skill development, how soft skills affect personal growth, social interaction and therefore one's professional life bringing about a holistic growth of an individual.

The webinar ended with a prolonged question-answer session and vote of thanks was given by our Departmental Faculty member Dr Mira Sil Ghosh.

Feedback forms were collected from all participants at the end of the webinar.
