Summary :

It was a four day online workshop on **RESEARCH METHODOLOGY: FROM THE PERSPECTIVE OF INDIAN PHILOSOPHY** organized by our department. The workshop started with the inaugural speech by our Principal Sir Dr. Indranil Kar. Then our HOD Smt. Smrita Mukherjee introduced our eminent speaker. The first two days were allotted for Prof. (Dr.) Ratna Dutta Sharma. She elaborately taught us about Research Methodology from the perspective of Nyaya Philosophy. Her mentory over the Nyaya Darshana offered her lecture a distinguished level. The speaker for the last two days was Prof. (Dr.) Madhumita Chattopadhyay. She explained aspects of research methodology from the perspective of Bauddha philosophy. The two sessions taught by her were very enriching for us. The esteemed speaker delivered their lectures on a relevant topic which was very effective for students, scholars, and teachers. The workshop was attended by around 70 participants of our college students, students of Jadavpur University and faculty members of our college as well as of other colleges and universities. Both the speakers provided needful guidance from the aspect of Indian Philosophy. The last day our IQAC Coordinator, Dr. Suchandra Chatterjee was present to give the introductory speech for that day. On the fourth day the vote of thanks to both the speakers was given by our HOD Smt. Smrita Mukherjee. The entire session was conducted by Dr. Aparajita Kundu, faculty member of our department. The workshop was really helpful for us.
