## **Career Orientation Program Report**

**Name of the event:** Career Orientation Program

**Topic:** Career Opportunities in Capital Market

**Invited Speakers:** Dr. Aditya Rai & Prof. Sumeet Agarwal, Dept. of Humanities & Social Science, Sikkim Manipal University

**Date:** 10.12.2021.

**Time:** 10 am to 1 pm

**Career Orientation Program Platform:** Zoom Cloud Meeting

**Organized by:** Placement Cell, Dept. of Commerce, Surendranath College

**No. of Participants:** 210

**Summary:** Respected Principal delivered the opening lecture regarding the placement cell program. About 210 students participated in the placement cell program. All the faculty members took part in the virtual placement cell program.

This program is arranged for the ultimate benefit of the students after passing out and taking a proper venture for getting employment or taking any entrepreneurial initiative. Respected resource person, Prof. Sumeet Agarwal highlighted on the relevant issues like capital market, its functioning and for the beneficiaries and also about functioning of the stock exchange market which are expected to help the participants in finding the employment opportunities in future. Another resource person Dr. Aditya Rai, also pointed out relevant issues also about the functioning of capital market and financial system in the perspective of Indian economy which are expected to help the employment seekers in the future. The resource persons also focused on the opportunities of taking ventures in the field of small & medium scale entrepreneurship.

It is needless to mention that the placement cell program was very much valuable from the viewpoint of the participants particularly for the employment seekers & all other participants. The valuable lectures delivered by the eminent resource persons are expected to have enriched all the participants. It is to be mentioned also that the registered participants will be provided Certificate of Participation very shortly. Further, it is to be mentioned that the Placement Cell, Dept. of Commerce, Surendranath College will organize such a valuable placement cell program in the near future.
