Report on National Webinar on Research Methodology

An IQAC Surenthranath College Initiative

Department of Zoology

Surenthranath College

Name of the Event – National Webinar

Topic – Development of Satellite Telemetry in Wildlife Research

Invited Speaker – Supratim Dutta
Project Associate II
Wildlife Institute of India
Dehradun

Date – 22/12/2021

Time – 07.00 PM

Webinar Platform – Surenthranath College Zoom Cloud Meeting Platform

Number of Participants - 333

Organized by – Department of Zoology
Surenthranath College
Under DBT-Star College Scheme, Govt. of India
(Dept. of Zoology, Chemistry, Botany & Physics)
Surenthranath College, 24/2 M.G. Road, Kol - 700009

Summary – The invited speaker of the webinar introduced and explained to all the participants about the development and applicability of Satellite Telemetry in the field of Wildlife Research. The participants, specially those who were interested in the field of wildlife research, also got enriched with the diverse and detailed utility of this modern and scientific technology to get a very sound and in-depth outcome in wildlife research. Besides, the invited speaker also provided a prolific guidance towards having a good career opportunity in the field of wildlife to all the participants.
