

## CERTIFICATE COURSE IN SOCIAL WORK- 2021

**Organised by:** Department of Sociology in collaboration with IQAC, Surendranath College

### **Objectives:**

- Ø To propagate the concept of social work amongst the youth both practising and intending to take up this activity in future.
- Ø To equip the trainees of the course with the basic skill and knowledge needed to carry on the task as a volunteer or professional.
- Ø To help the trainees to think in a scientific and constructive way.

### **Utility:**

The pandemic, namely Covid-19 and many other social crises have proved the necessity and indispensability of community living. We have experienced that extended help through extensive social work of some people made others' survival meaningful. With such a view, many youths, having a passion for social work, would like to take social service as a profession as well.
