## Activity Report

**Name of Event:** International Webinar held on 6th July 2020

**Topic -** “Academics vs Industry: Choosing the Right Path”.

**Invited Speaker:** Dr. Sudipta Pal,  
Research Scientist  
Intellisyn Pharma  
Montreal, Canada

**Date:** 06/07/2020

**Time:** 11.00am to 12.30pm

**Webinar Platform:** Zoom Cloud Meeting Platform

**Organised by:** Department of Chemistry, under the DBT-Star College Strengthening Scheme, Govt of India.

**Number of participants:** 804

**Summary:** The webinar started with the inaugural lecture by our Principal, Dr. Indranil Kar, followed by the speaker’s introduction. The lecture was attended by **804 participants** including **undergraduate, postgraduate Research scholar and faculty members of different colleges, universities and research institutes**. The esteemed speaker delivered his lecture on choosing right the carrier movement over the academics or industry field. He also discussed where to move their carrier on the pandemic situation and after completed their graduation. He clearly explained the carrier opportunities between academia and industry through the several pathways. He even answered all the questions raised by the participants in the question answer session and promised to do the needful guidance for the undergraduate and postgraduate students in future correspondences. So it is more motivational and interesting speech which would be help most of student for choosing their carrier right action between academia and industry.

The speaker was formally given the vote of thanks by Dr. Suchandra Chatterjee, IQAC Convenor and DBT-Star Coordinator for her valuable lecture. All the participants had submitted the feedback form and received the participating certificates in due course of time.

The lecture was full of core concepts giving a panoramic idea of the entire pathogenesis pathway and the defense mechanism adapted by the plant against the process. The webinar proved to be engaging and enriching for all the participants and paved the path for the engagement of many such informative presentations to be organized in future.
