

Webinar on

The End of COVID-19: Naturally or Through Human Intervention?

Organized by
IQAC, Surendranath College, Kolkata-700009.
(An Outreach Awareness Programme)

**29.08.2020
3.00 PM**

Zoom Meeting ID : 85200592189
Passcode : 700009

Dr. Nilansu Das

Dept. of Molecular Biology,
Surendranath College.

Activity Reports

Name of Event: Webinar

Topic – The end of Covid-19: Naturally or Human Intervention.

Invited Speaker: Dr. Nilansu Das

Associate Professor

Department of Molecular Biology

Surendranath College

Kolkata, West Bengal, India.

Date: 29.8.2020

Time: 3 pm

Webinar Platform: Zoom Cloud Meeting Platform (Professional)

Organized by: Department of Molecular Biology, under the DBT-Star College Strengthening Scheme, Govt. of India.

Number of Participants: 142

Summary: The lecture was attended by 142 participants including undergraduate, postgraduate and faculty members of various colleges. At the time of this webinar the pandemic caused by SARS-CoV2 had been swiping the entire globe for over 9 months. Many people all over India died of this disease and many more lost their livelihood due to prolonged lock down. The question of the time is when this pandemic comes to an end and how.

Several mathematical as well as epidemiological models tried to predict the trajectory of Covid-19. However, almost all of them turned out not to be true. The time was very crucial in the sense that several vaccines made in India as well as abroad were knocking at the door as well as Herd Immunity was developing in the population. The speaker tried to dissect individually the roles of vaccination, healthy practices and Herd Immunity in irradiating the pandemic.

The event started with an inaugural note of honorable Principal of Surendranath College Dr. Indranil Kar and vote of thanks was given by Dr. Suchandra Chatterjee, IOAC coordinator of Surendranath College. Faculties, students, external guests and many others participated in an elaborate question answer session. The entire event was anchored by Prof Ishani Waiba of department of Economics, Surendranath College.
