The event began with an inaugural address delivered by the Principal, Dr. Indranil Kar, followed by the words of inspiration delivered by the IQAC Coordinator, Dr. Suchandra Chatterjee. The Head of the Department, Jahira Hossain, introduced the speaker Mr. Debasish Lahiri.

Ms. Urbi Mukherjee delivered a lecture on the effect of the Covid-19 pandemic on the mental health of one of the most vulnerable demographic groups- students, who are caught at home, and alienated from their peers and academic environments. She sensitized students regarding the unprecedented online mode of education and its impact on their socio-economic and psychological condition. The students in turn shared their concerns with Ms. Mukherjee in a thoroughly interactive session which produced breakthrough moments in the way we understand mental health effects on students.

The event was brought to a conclusion by the Vote of Thanks delivered by Madhulina Bauri, Assistant Professor, Department of English.
