Activity Report

Name of Event: Webinar held on 12th May 2021

Topic - "COVID-19 second wave Evolution, Risks & Vaccines" - Day 1

Invited Speaker: Prof. Dhrubajyoti Chattopadhyay Vice-Chancellor Sister Nivedita University.

Date: 12/05/2021

Time: 12pm to 1.30pm

Webinar Platform: Zoom Cloud Meeting Platform

Organised by: Department of Microbiology in association with IQAC Surendranath College.

Number of Participants: 248

Summary: The first lecture of the state level webinar series by Prof. Dhrubajyoti Chattopadhyay was attended by undergraduate, postgraduate and faculty members of various colleges. The distinguished speaker offered a comprehensive lecture on the basics of RNA virus in the light of Covid-19 and the potential for the several vaccine candidates as a preventive measure. He also addressed the questions accumulated in various online platforms including Zoom and Youtube. The session was inaugurated by honorable principal Prof. Indranil Kar and chaired by Prof. Nilanshu Das, HOD Molecular Biology. Feedback was collected from all the participants and a certificate was issued. The popular lecture was aimed to inculcate the futuristic ideas of modern virology and epidemiological studeis.
