**Summary:** Department of Mathematics organised a Mathematics Webinar on the topic **"Perturbation Technique for Solving Nonlinear Problems"** using Zoom Cloud Meeting Platform on June 26, 2020. The webinar focused on solving different Nonlinear Equations in various physical problems in Mathematics, specially for the Nonlinear Differential Equations. The programme started at 4.00 pm with the welcome addressed by Dr. Netai Roy, HOD, Department of Mathematics, Surendranath College. Interested faculty and undergraduate, postgraduate students from various colleges and Universities were invited to the webinar. Following this speech, there was a wonderful interactive session where the participants interacted with the speakers clarifying their doubts and asking interesting questions. The programme wrapped up around 6:30 pm.

The vote of thanks which was given by Dr. Tushar Kanti Saha, Associate Professor, Department of Mathematics, Surendranath College & the

Convenor of the webinar. Feedback form had been submitted by almost all the participants and participation certificates had been provided to all the participants in due time.
