

Future Plan

SurenDRanath College

24/2, Mahatma Gandhi Road

Kolkata- 700009, West Bengal, India

<https://www.surenDRanathcollege.ac.in>

VISION 150 YEARS

Infrastructure

- Upgrade the ICT enabled teaching and learning facilities.
- Arrange for separate exclusive campuses for all the three colleges
- Organize for an exclusive play ground for the college.
- Make all the classrooms smart class room.
- Make the campus Green in true sense, gradually reducing the carbon footprints.
- Organize for a second campus in a nearby locality.
- Arrange for separate dedicated hostels for boys and Girls.
- Install more solar panels on the rooftop to generate power, sufficient to cater to the whole electricity requirement of the campus.

Academics/Value-Addition/Engagement/etc.

- Initiate an APP-based college management system.
- Encourage all departments to open PG courses.
- Allocate separate space for all the departments.
- Create an **Innovation and Incubation Center** for nurturing fresh novel ideas.
- Support facilities/initiatives for creating confidence among students.
- Ensure external support through Alumni/Govt. Agencies/Banks and others, thus creating entrepreneur of tomorrow.
- Yearlong/long term counseling of students for offbeat careers.
- Introduce more value-added courses for the desired skill enhancement of students.
- Create research oriented fund/seed money/for incubation center.
- Encourage student's participation in research by starting various funded/ non- funded minor research projects.
- Create audio/visual documentation of Surendranth College and its Founder Sir Surendranath Banerjea.
