

## **CERTIFICATE COURSE IN SOCIAL WORK- 2021**

**Organized by:** Department of Sociology in collaboration with IQAC, Surendranath College

### **Objectives:**

- Ø To propagate the concept of social work amongst the youth both practising and intending to take up this activity in future.
- Ø To equip the trainees of the course with the basic skill and knowledge needed to carry on the task as a volunteer or professional.
- Ø To help the trainees to think in a scientific and constructive way.

### **Utility:**

The pandemic, namely Covid-19 and many other social crises have proved the necessity and indispensability of community living. We have experienced that extended help through extensive social work of some people made others' survival meaningful. With such a view, many youths, having a passion for social work, would like to take social service as a profession as well.

The course also had some NGO workers and servicemen as participants.

**Mode of Evaluation: MCQ based exam** through Google form taken on 05.09.21

**Certificate:** Certificate issued within 1 month after completion of the course.

**Course Outcome:** The course was designed to enlighten students about the different concepts of social work and to educate them about the scope of such subjects for higher studies and occupation as well. The course provided them with the knowledge of social work, types, theories, challenges and its significance in greater society. Different NGOs enriched them with the practical field-based experience and offered the students an internship with them. All the sessions were highly informative and enriching. The interactive sessions after each class created a wide corridor for knowledge exchange. Many of our participants opted for a Master degree in Social Work after accomplishing the course.

**Enclosed:** Copy of syllabus of the Certificate course.
