## DR. INDRANIL KAR

PRINCIPAL, SURENDRANATH COLLEGE

Dear Students, Staff, Parents, Alumni, Benefactors and Well Wishers,

Welcome to Surendranath College! This is not just a college but a way of life. Surendranath College has travelled a long way since 1884 to the present day, crossing several hurdles and gaining strength and maturity in the process. Much is done but much more is proposed to be done as the college marches ahead. Commitment to serve all the students by providing quality education to all, irrespective of caste, creed, religion, and economic status is one of the basic tenets on which our college stands. This institution was created with the objective of providing a 360-degree quality education which enables students not only to thrive in academics but also motivates them towards character building, leadership, extra and co-curricular activities.

# MESSAGE FROM PRINCIPAL'S DESK

Principled on the motto and vision to promote a society based on love, freedom, liberty, justice, equality and fraternity, the college aims to form young men and women of competence, commitment, compassion, and conscience. Students are inspired to aspire to higher levels of academic achievement by mastering the subjects they have chosen to study. The College stands committed to make the teaching and learning process **Student-Centric** which makes the students think, analyse, and work independently by inculcating original and creative thinking.

Currently the College is offering 26 UG programmes and 1 PG programme and it dreams to offer many more in future. We also offer several add-on certificate courses for skill enhancement and holistic growth of our students. Inclusive practices of the institution to impart such holistic education are inherent in the system. To support the holistic development of the students, the College also houses a few clubs for enriching the students with various co-curricular activities like chess, music, dance and so on along with the usual syllabus-oriented pedagogy.

To fulfill this objective, many developmental programs were initiated during the preceding years keeping in tune with the changing scenario of education. Besides regular classes, College also arranges seminars, conferences, workshops, encourages various cultural competitions and activities aiming at overall enrichment of the students beyond classroom learning. The College understands the importance of a healthy mind and thus runs a full-fledged counselling cell with the help of its Psychology Department to look after the mental well-being of its staff and students. A Wellness Center has been formed by the College that consists of a gymnasium with modern equipment, an auditorium for seminars related to wellness and motivation – both for mental and physical well-being. Activities related to emotional health, sports and other such developments are also being encouraged.

With the support of all our stakeholders; our students, staff, parents, alumni, well-wishers and benefactors, we will continue to flourish and prosper and serve the society at large. I wish all of them the very best!

# INSTITUTIONAL VISION & MISSION

## VISION

The vision of Surendranath College is to impart, sustain and foster all-round holistic and quality education to the students coming from every stratum of the society so that they can gather knowledge, employable expertise and grow up as responsible global citizens of tomorrow.

## MISSION

The mission of the institution envisages evolving, improving, upgrading and remaining committed to its laurels of heritage in conformity with the immortal words of the Upanishada, namely “Damyata” or restrain, “Datta” or charity and “Dayaddhayam” or non-violence which is enshrined in the College emblem.

To ensure the vision and mission of the college of providing holistic quality education to all sections of society the strategic and perspective plan of the institution in the year 2020-21 in the midst of pandemic was to shift from offline/physical mode of interaction to online. Some of those are as follows.

- College bought zoom platform
- Collaborated with IIT Bombay to provide free computer training to teaching and non-teaching staff and students
- Entire admission and examination procedure was made online
- College office was digitized with the help of ERP
- Library was digitized, KOHA was installed
- IQAC organized training to teaching and non-teaching staff to effectively use google platform
- Website was revamped and downloadable e-contents was made available in the website

- Webinars, invited lectures, workshops, motivational talks, awareness programs, quizzes and various competitions were held online to keep the students and staff engaged and motivated throughout the year
- College also organized free vaccination camp not only for staff and students but for entire locality.
- NCC/NSS worked tirelessly and performed various outreach activities to combat the disastrous effect of ‘YASH’ as well as the pandemic.
- Placement cell incorporated 664 students across all departments in a telegram group where they provide virtual interview links, e-campus opportunities, communicate training and workshop links and collect time to time feedback from students.

# WHY CHOOSE SURENDRANATH COLLEGE?

The college is a 138-year-old heritage institution producing galaxy of alumni in its long run. Since its inception, the institute has been imparting high quality, all-inclusive education (with no discrimination based on caste, creed, or economic status) to all sections of the society and thereby nurturing the dreams of the under privileged. Due to its convenient location (~400 meters away from Sealdah station) despite standing at the heart of the city of Kolkata, it demographically attracts many first-generation learners every year from various parts of West Bengal even from the remotest villages. It has students coming from other states too. It is an additional skill set of the faculty of the college to keep such students always motivated in their academic pursuits and help them to evolve their capabilities for the job market. Faculty members work with determination and patience to achieve this feat. Keeping in view the above objective, the Institution may not regularly get toppers across all the disciplines but is often successful in finding meritorious students from the non-creamy layer of the society and help them to carve out a stable academic career. The multilingual platform offered by the Institution also aids significantly in achieving this objective and learners can slowly adapt and get moulded into the academic ambience of the campus. The college is above all committed to usher in socio-economic transformation by providing inclusive innovative quality education of global standards to fully meet the expectations of its stake holders.

# INSTITUTIONAL DISTINCTIVENESS

---

In keeping with our founder Sir Surendranath Banerjea and the institution's vision of promoting the core values of justice, freedom, sincerity, truth, and joy, Surendranath College has always given priority to the education of underprivileged women to empower them. For this, there is an active Student Welfare Cell, Women's Cell, and SC, ST, Minority Cell run by teachers and student members which prepares our students to get various scholarships, freeships, etc. for providing them the opportunity for higher education. The institution stresses outreach programs and inculcates in its students an awareness of the value of holistic education and empathy for the less privileged sections of society. Social service is a compulsory component for all students.

Active NCC and NSS units of the college organize outreach programs for the student community. The college rallies around natural and manmade calamities and often become a collection center for relief materials. Packaging of these by the students and transportation to distribution centers is a part of our commitment. Value Education classes once a week for students of all years (though not mandatory) are held throughout the year to enable students to discern and make informed choices for life. Soft skills also form part of these classes.

Surendranath college follows an effective individual mentoring system for students. This individualized form of counselling and guidance activities has the main motto to address the needs of the students and to help them find as a friend, as a counsellor, and as a confidante on the campus. This practice is aimed at fostering a better rapport between the students and the teachers at a personal level by establishing a trustworthy relationship between the Mentees and Mentor.

# FACULTY OF ARTS

The Department of Bengali started its journey since the inception of Surendranath College in the year 1884. The Department has the provision of Three Years Honours and General Course. The Faculty consists of four UGC approved Full Time teachers, one Govt. approved Part Time teacher and one guest lecturer. The department has very rich heritage. Professors like Asit Kumar Bandyopadhyay, Pramathanath Bishi, Ajit kumar Ghosh, Dilip Kumar Mitra, Sanatan Goswami, Arabindo Bhattacharya were the teachers of the Bengali Department. Their Sound knowledge, dedication, affection for the students made the Department glorious. Those teachers were very good critic in Bengali Language and Literature.' History of Bengali Language' written by Dr. Asit Kumar Bandopadhyay is his magnum opus. 'History of Bengali Drama' written by Dr. Ajit Kumar Ghosh is also a great contribution to the Bengali criticism. Renowned Novelist and Short Story writer Bibhuti Bhusahan Bandopadhyay was a student of this college as well as the alumni of Bengali Department. After passing out from the Department of Bengali of this college many students have achieved their goal and have been providing their valuable services to the Society as Professors, Teachers, Journalists and Political Personalities. The Bengali Department has successfully groomed the students and helped them to get settled in life."CHARIBETI"- Go Ahead is the ultimate motto of the Department of Bengali.

# FACULTY OF ARTS

The department of English, Surendranath College was established before the Independence. The department offers Undergraduate Course in English Honours and Elective English as General course apart from the Compulsory English. At present the department has four faculty members. The department also organizes **Communicative English Certificate Course** every year. The purpose of this communicative English course is to provide students an opportunity to improve their communication skills in areas such as reading, writing, speaking and listening. Special focus is given on Business Communication for career advancement and confidence building. Since many students come from various socio-economically backward sections of society who are often first generation learners, the course has an added social relevance. Those who qualify the examination are provided with certificates which might be of use in their professional fields. The responses from the students have been amazing and this course has proven to be extremely effective.

## MICROBIOLOGY DEPARTMENT

Department of Microbiology of Surendranath College started its journey in the year 1999. Initially the college received an approval of 20 seats from University of Calcutta. Just one year previous to that Molecular Biology (General) was introduced to the college with one government approved post each of a teaching and a non teaching. However, despite request from the college, government did not sanction any post for the honours Department of Microbiology. As a result the two Departments (Molecular Biology and Microbiology) runs in amalgamation with each other sharing all the resources. The Department, from the date of its inception is housed at the third floor of the Science building with two laboratory cum lecture rooms and one classroom. Presently, two more laboratory cum class rooms has been added. The entire Department including the teachers' room is air-conditioned. The Department possesses all necessary instrument and infrastructure to cater to its students. Initially the Department used to run with the help from faculties of other bio-science Departments and college-appointed guest faculties and part timers. At present the department has 7 full-time teachers.

# FACULTY OF SCIENCE

Department of Physiology was founded in July 1958 with General course. Honours course was started in the year July 1978. The Department is housed in two floors, one being at the ground floor of main building and the other at second floor of science building. Department has always been a star performer in terms of academics and results and one of most coveted department of the college. Dr. Madhusudan Ghosal the founder figure is still associated with this department as mentor and faculty. The department is fortunate of having very vibrant and closely associated alumni through efforts such as reunions and alumni meet. A significant numbers of alumni are holding promising position in modern day teaching and Research Institutes. An increasing demand for the subject is demanding space and proper infrastructural overhauling. Students through project works and extension activities such as Health Check Up get hands on experience and thereby learn to deal with human subjects using modern day Laboratory equipment. Departmental faculties and support staff put in their best of efforts to cater to the need of the students. The department has been awarded with **DST BOOST (Govt. of WB)** grant.

## COMMUNITY SERVICE BY DEPT. OF PHYSIOLOGY

Department of Physiology in Surendranath College is actively engaged in the implementation of improvements in **community health**. Students are trained as part of their curriculum to participate in the project works performed each year on communities of some remote area. Health assessment through monitoring of some physiological and nutritional parameters of individuals are done to serve and increase awareness among people lacking knowledge and proper healthcare systems. Furthermore, members of this Department are also involved in the **NSS** unit of the College thereby serving the society at large.

Below are some glimpses of such activities carried out by the department.

# FACULTY OF SCIENCE

# PSYCHOLOGY DEPARTMENT

The Department of Psychology was established on 10th September, 2001. The subjects which are offered as combinations: (B.A. Degree) General papers are: Sociology, History & Philosophy. (B.Sc. Degree) General papers are: Zoology & Physiology. The department has two laboratories with certain sets of instruments (on an average) per practical topic. Academic and personal counselling of students is carried out from time-to-time depending on the needs and problems of the individual student. Apart from any noticeable deterioration in academic performance, the teachers make an effort to identify any manifestations of underlying psychological problems. IQAC DIRECTOR, SURENDRANATH COLLEGE

## Greetings to ALL our Stakeholders!

Quality assurance and management have always been the central challenges in the effective governance of any higher educational institution. In this context, Quality assurance and sustenance is not a one-time phenomenon. Rather, **Quest for Excellence** is a continuous and perennial pursuit. Initiatives of IQAC should strive to instill, internalize, and institutionalize standards for that quality bench marking, aiming at continuous improvement over improvement. Triggering for a **Quality Culture** among the various constituents of any institution is only possible by creating an awareness about Institutional Quality Assurance among all its stakeholders.

## MESSAGE FROM IQAC DIRECTOR

The IQAC of Surendranath College was formed in 2013 with the vision to channelize the efforts and measures of the Institution towards academic excellence and progress. Envisioned as an embedded function of the College, the IQAC harnesses synergies from all its constituent units viz. the stakeholders of the college. As a part of its mandate of developing an all-encompassing quality culture in the college, the IQAC plays a greater role in congregating the institutional effort for quality.

As the guardian of Quality, IQAC at Surendranath College firmly believes that its role is a continuous and dynamic one. The vision of the IQAC is to not merely serve as a data center but as a means to bring together all the stakeholders and let each one of them co-operate, coordinate, collaborate, create, and contribute to the betterment of the institution in all aspects. It is the individuals who collectively make up the institution; but regarding its quality, IQAC aids them in achieving the goal. Thus, the manifesto of Surendranath College IQAC centers on Quality Assurance, Quality Sustenance and Quality Enhancement.

IQAC at Surendranath College also believes in quality education and is committed towards the Holistic Personality Development of all the students at the college, so that they may excel in life. The vision of the college is to create integrated global citizens and world class professionals, who will work for a more just, equitable and compassionate society. IQAC tries consistently to promote that central vision of the College in its path to becoming a '**College of Global Choice**'.

On behalf of IQAC, I convey our deepest appreciation to all the members of faculty, students, management, and alumni of our college and all the other stakeholders for their valuable inputs that help us in every possible way and welcome you all to join us and build mutually beneficial ties for growth and development. We sincerely hope your valuable feedback and suggestions in future, will definitely help IQAC to develop further in its endeavour of creation, sustenance, and enhancement of quality at Surendranath College.

“ Start with Quality, Lead with Assurance, Sustain with Consistency and the Outcome would be Excellence! ”
